The salaries of all Secretaries covered by this Agreement are set forth in Schedule "A-3". These salary schedules are attached hereto and made a part hereof. The salary adjustment for Teachers, Instructional Aides and Secretaries will be 2.0% for the 2011-2012 school year, 2.25% for the 2012-2013 school year, and 2.5% for the 2013-2014 school year. The salaries for the 2010-2011 school year shall be retroactive to July 1, 2011.

B. SALARY PAYMENT PLANS

1. Employees have the option of selecting either a twenty (20) payment plan or a twenty-four (24) payment plan.

All employees will receive their paycheck by direct deposit.

2. When a pay day falls on or during a school holiday, vacation or weekend, employees shall receive their paychecks on the last previous working day.
3. Employees shall receive their first paycheck in September of each year on the first Friday after returning to school. Employees shall receive their final checks on the last working day in June.

C. STIPEND POSITIONS

Stipend positions covered by this Agreement are set forth in Schedule B and are open to all employees, except for positions requiring certification.

D. WITHHOLDING OF INCREMENT PROCEDURE

Salary increases, as represented by advancement on the salary guide, are not automatic. Increases are earned through satisfactory teaching performance as evidenced by evaluations conducted by the administrator.

The Teacher appraisal and evaluation process is the base upon which this procedure for withholding an increment is established. The evaluation process is defined in the policy manual of the Board.

1. Once the recommendation to withhold an increment has been forwarded to the Teacher and the Superintendent, the Teacher may request the Superintendent, within ten (10) school days and in writing, to establish a date when the Teacher could meet with the Superintendent to discuss the administrator's recommendation. The Superintendent shall not forward the recommendation to the Board of Education without such a

VB
DF

conference unless the ten (10) school days have elapsed without the written request from the Teacher.

2. Should the Superintendent forward a recommendation to the Board for withholding an increment, the affected Teacher shall receive written notice of such a recommendation.
3. Following such a recommendation by the Superintendent, arrangements shall be made to afford the Teacher a reasonable opportunity to speak in his/her own defense before the Board. In order to have such an opportunity, the Teacher must, within ten (10) school days after receipt of the written notice from the Superintendent, request in writing a meeting with the Board in closed session. Both parties will use their best efforts to submit any information to be presented during the hearing to the other party two (2) days prior to the meeting.
4. The Board shall be given a reasonable opportunity, following the meeting with the Teacher, to deliberate. Should the resultant action of the Board be to withhold the increment, the Board shall, within ten (10) school days, give written notice of the action, and the reason to the Teacher concerned.
5. When an increment is withheld, the Teacher will not advance to the next higher step on the salary guide for the next contract year. Withholding an increment will not prevent the Teacher moving from the BA to the MA guide, or from the MA to the MA+30 guide if the Teacher has satisfactorily completed the degree requirements. Placement on the higher degree guide will be at the same relative step.
6. Should the Teacher who was deprived of an increment subsequently perform satisfactorily for the next two successive contract years including the year of deprivation, the Board may restore the Teacher to the salary step that the Teacher would otherwise have attained had there not been a withholding of increment. The increment may be restored earlier at the recommendation of the Superintendent with the approval of the Board.
7. The Teacher shall have the right to present his/her own appeal or to designate representatives of the Association or another person of his/her own choosing to appear with him/her at any step in this procedure.

E. PART-TIME TEACHERS' SALARY SCHEDULE

1. All part-time Teachers employed by the Board shall be paid prorated salaries as determined by the number of days they are in the District in relation to a full week, e.g. a Teacher who works two (2) days a week is 2/5 time or .4 contract. A Teacher who works four (4) days a week is 4/5 time or .8 contract. Any portion that might not fall on a full day will be prorated on that basis.

7 hours (minus 45 minutes for lunch) x 5

2. Part-time Instructional Aides who are employed for less than a full day, shall have their lunch period prorated based on FTE. In no event can the employee select less than employee only coverage.

The above specified payments shall be applied to the individual's Section 125 plan.

Any employee who has dependent coverage through his or her spouse's employer (other than the Franklin Lakes Board of Education) may waive all insurance coverage from the Board and, to the extent permitted by law, shall receive 50% of the cost of the premium for that employee and eligible dependents. Payment shall be prorated bi-monthly and will be added to the employee's payroll check. The employee shall, however, not be entitled to payment until the effective date of the enrollment change. Employees who elect this option will have the right to re-enroll for another coverage, should their family circumstances change.

E. SECTION 125 PLAN

F. HEALTH BENEFITS DURING RETIREMENT

Teachers who retire with their final four (4) years of service with the Franklin Lakes Board of Education and after twenty five (25) years of service in the State, shall be permitted to participate in the Dental and Prescription Drug Insurance Plans offered to active Teachers (if such plan is available). The cost of this insurance shall be paid entirely by the retired Teacher.
